ADDITIONAL RESOURCES:

Answers to frequently asked home food preserving questions can be found in publications on the National Center for Home Food Preservation website at: http://nchfp.uga.edu/questions/FAQ_canning.html.

Topics include:

Most Frequently Asked Canning Questions
Most Frequently Asked Pickle Questions
Most Frequently Asked Freezing Questions
Most Frequently Asked Drying Questions

The Utah State University Extension Office website also offers many valuable resources for food preserving at: <http://extension.usu.edu/htm/publications/by=category/category=319/start=1>. One article in particular entitled *Avoiding Common (Major and Minor) Canning Mistakes* is quite helpful and can be accessed through this website.
